

HENKE ROAD LIFT STATION FORCE MAIN UPGRADE – PHASE 1
PUBLIC WATER SUPPLY DISTRICT NO. 2 OF ST. CHARLES COUNTY

SECTION 00020 – INVITATION TO BID

Notice is hereby given that Public Water Supply District No. 2 of St. Charles County, Missouri, the Owner, will receive sealed Bids at the Office of the Clerk, 100 Water Drive, O’Fallon, Missouri 63368; Phone: (636) 561-3737 until 9:00 A.M. local prevailing time on the 22nd day of August, 2017, at which time Bids will be publicly opened for the following project:

HENKE ROAD LIFT STATION FORCE MAIN UPGRADE – PHASE 1
SANITARY FORCE MAIN IMPROVEMENT PROJECT

The work to be performed generally consists of the following:

Construction of approximately 8,400 LF of 24-inch diameter polyvinyl chloride (PVC) pipe force main and appurtenances in the Cities of O’Fallon and Lake St. Louis, Missouri. The improvements shall commence near the proposed discharge point located along Hoff Road, approximately 980 feet north of the intersection with Progress West Lane, and proceeding in a southern direction to a connection with the existing Henke force main along Lake St. Louis Boulevard located approximately 660 feet south of the intersection of Charlemagne Drive. Project includes connections for two future force mains, which include Bent Oak lift station force main and the Lakewood lift station force main. The proposed force main will utilize both traditional open cut construction and horizontal directional drilling methods to minimize property disturbance and restoration costs. Included in the work are two auger bore crossings of major transportation facilities, which include Interstate 70, Norfolk Southern Railroad and Terra Lane. The successful bidder will be responsible for furnishing, constructing and installing all piping, fittings, automatic air release valve and vault, materials, labor and ancillary work necessary to provide complete and functional facilities in accordance with the requirements of the contract documents.

Bidders must submit qualification information as described in Section 00200, Instructions to Bidders.

A pre-bid meeting will be held at the offices of the Owner on August 8, 2017 at 9:00 A.M. Attendance of this meeting by prospective bidders is recommended, but not mandatory.

Bidding Documents may be obtained from the office of the Owner at a non-refundable charge of **\$100.00** per set by cash or certified check.

Bidding Documents may be examined at the office of the Owner, or the following location:

- Office of the Engineer: Hanson Professional Services Inc.
13801 Riverport Drive
Suite 300
St. Louis, MO 63043

A bid security in the amount of five (5) percent of the Bidder’s maximum Bid Price is required.

Prospective bidders are hereby advised of requirements for jobsite safety and worker eligibility contained in Section 00800 (Supplementary Conditions) of the contract documents.

Wages shall be paid to each employee engaged in the Work at a rate not less than the prevailing rate of wages for the particular trade or occupation, as issued by the Department of Labor and Industrial Relations of the State of Missouri. The Contractor shall be responsible for complying with the prevailing rate of wages for St. Charles County, Missouri for all work conducted within St. Charles County.

The Owner reserves the right to reject any or all Bids and to waive all informalities not involving price, time or changes in the Work, and to negotiate contract terms with the Successful Bidder.

END OF SECTION 00020
